TREASURES FROM OUR TRADITION Today we have a modern feast, less than a century old, and placed at the very end of the liturgical cycle of Sundays only in 1969. In 1925, the world was in a sorry state from the vantage point of Pope Pius XI. The winds of war had swept the map of Europe raw, and ancient Christian dynasties had fallen in Russia and Spain. Although the Great War had ended, wars were breaking out everywhere. Fascism was already in control in Italy, and Nazism was on the horizon for Germany. The disorder making its claim on the human race was, the pope felt, an insult to the Divine Order. Pius XI designated the last Sunday in October as a day of universal recognition of the kingship of Christ. Creating this feast was an act of bravery by the pope, who was standing up against idolatry of the state and the dehumanizing forces of the modern world, things that are not hard to detect in today's world as well. In 1969 it seemed fitting to move the feast to a place of honor at the end of the year, a way of summing up the whole movement of the liturgical year toward the perfection of the Kingdom of God. In recent decades, many Protestant churches have adopted this day from the new Roman calendar, so it is shared now with the Church of England, the Episcopal, Presbyterian, and Lutheran churches, and others.—Rev. GRATITUDE Let gratitude for the past inspire us with trust for the future. —François Fénelon

HIDDEN TALENT No one respects a talent that is concealed.

—Desiderius Erasmus

TRADICIONES DE NUESTRA FE México tiene la reputación de ser un país muy católico. Sin embargo, en 1917 México recibió una nueva constitución en la cual se estableció una política de intolerancia religiosa, especialmente en contra de la Iglesia católica romana. Con el paso de los años, se emitieron muchas leyes anticlericales mismas que fueron puestas en vigor hasta el punto que el gobierno federal decretó la suspensión de culto. Esto generó un levantamiento por parte de muchos mexicanos y mexicanas con el único fin de defender su religión y su derecho a celebrarla.

En marzo de 1925, estos mexicanos católicos movidos por el deseo de justicia, fundaron la Liga Nacional para la Defensa de la Libertad Religiosa. Ese mismo mes, el Papa Pío XI proclamó la Fiesta de Cristo Rey, celebrada el último domingo del año litúrgico. Esta fiesta se incluyó al calendario litúrgico para recordar a los cristianos —que no importa en qué país o bajo que gobierno nos encontremos— pertenecemos a un solo poder, a un solo Señor, ¡un solo Rey! Inspirados por el grito “¡Viva Cristo Rey!”, miles de mexicanos dieron testimonio público de su fe y murieron con esta confesión de fe, justo antes de recibir el martirio, demostrando así que Jesús es verdaderamente el único Rey de sus vidas.—Fray Gilberto Cavazos-Glz, OFM, Copyright © J. GRATITUD Que nuestra gratitud por el pasado nos inspire a confiar en el futuro. —François Fénelon
